

CLAYTON

NEIGHBORHOOD

!!!!!!!!!!!!!!!!!!!! NEWS ALERT !!!!!!!!!!!!!!!!!!!!!

HEALTH RISKS FROM ARSENIC AND LEAD CONTAMINATION

Dear NEIGHBORS:

In response to the Environmental Protection Agency's *Proposed Plan for a Community Health Program*, the Clayton Neighborhood Association invites you to participate on a **Steering Committee** to support the education of neighborhood families, community based organizations, schools, churches, public/private sector—ALL COMMUNITY MEMBERS--by developing a **cultural approach to environmental education** in communities of color located in the Superfund Site.

The Steering Committee will meet July 13, 2002

1:00p.m - 3840 York Street.

Sponsored by the Clayton Neighborhood Association

Anthony Thomas, President – 303-399-1379

Beverly Lumumba, Ph.D. – Education Coordinator - 303-377-6629
